

KALEMLiG

2019 COLLECTION

What is Kalemlik?

KALEMLİG is the most innovative and the top-quality pencil case brand in Turkey.

What Make Us Different?

Our innovative and creative approach
Unique design

Our care for every detail on products

Never compromising on high quality for every single material used for the products from A to Z.

The most modern and high-tech facility in the sector which only focuses on manufacturing pencil cases

Top quality / competitive price

Our focus on P.O.S. and our innovative packaging and display which help retailers attract the end-users.

In 2016, a well-known Stationery Distributor; ARC STATIONERY founded its manufacturing facility to produce pencil cases. Thanks to the creative/innovative designs and material quality of its products, KALEMLİG brand became one of the most prestigious stationery brands of Turkey in a very short period of time.

Follow to its success in Turkish market, the company started focusing on Export market as well and soon after, it managed to obtain a considerable amount of distributors in many countries and started receiving a lot of demands from reputable international retailers.

Our goal is to reach customers all around the world and to become an internationally well-known brand soon.
